

REACH Declaration of Compliance

With Regulation (EC) No1907/2006 and its subsequent amendments

This declaration of compliance applies to the following equipment:

Product Name:	Pro-Series 3D Printer
Filament Type:	Pro3 HS, Pro3 Plus HS
Brand Name:	Raise 3D

To minimize the environmental impact and take more responsibility to the earth we live, We hereby declare that that our the above model products shipping to the EU territory comply with the restriction of Chemicals REACH directives:(EC) No1907/2006.

Should it be necessary, we agree to supply documentation demonstrating compliance to the above directive of the above model as and when requested by customer or any EU official organization.

This will be in the form of an assessment confirmation or report from an independent accredited test laboratory.

Content of Compliance

We further declare that Some components of our equipment contain restricted substances in concentrations exceeding 0.1% w/w. However, it complies with the ECHA REACH regulation, as shipments of the substance do not exceed 1 ton per year.
